Workshop Session
Board of Selectmen
October 27, 2003

Present: Mr. Fiore, Mr. Lebeaux, Mr. Hammond, Mr. Card, Mr. Depalo

Also: Mr. Hale, Mr. Tozeski, Mr. Cox, Mr. Knipe, Ms Snell, Mr. Perreault, Mr. Morgado

Meeting called to order at 7:05 PM

The Board met for its annual Public Works Workshop which consists of a review of the Public Work Priority list that had been forwarded to the Board prior to the meeting. Each of the departments heads were present to provide updates on the various projects.

The Board discussed at length the library addition proposal and the feasibility of accommodating the expanded building at its current location. The status of land just west of the police station was reviewed.

The Board also supported the advancement of the fire station proposal.

The Board reviewed the status of the CWMP project and determined that the position adopted by the Treatment Plant Board be supported and the sediment study undertaken once the requirements set forth by the Consortium are met.

The meeting adjourned at 8:30 PM.

The next workshop will be November 10th at 7 PM.

Respectfully submitted

Daniel J. Morgado
